 - 2) Tuition may be paid by semester. The first half of the tuition must be paid on June 5th; the 2nd half on December 5th.
 - 3) All monthly tuition payments are due on the fifth (5th) or twentieth (20th) of each month, according to the payment plan chosen.
- Payments must be made to FACTS Tuition Management through automatic bank payment. A \$50.00 returned payment fee will be assessed if a payment attempt fails. When an account is two (2) months past due, the student will be withdrawn unless special arrangements have been made. - Attendance for any part of a semester will require payment for the entire semester, except when moving out of the area.
- Students withdrawing mid-semester will not be offered refunds for tuition and fees paid prior to notification of withdrawal. The first semester begins once the first tuition payment has been received. The second semester begins on the first day of school following January 1.
- In the event that a student is withdrawn from a class prior to the first day of school, fees and one month of tuition will not be refunded; if due to a move outside the Topeka area, the HCS board may refund previously paid tuition for the upcoming school year upon a letter of request explaining the situation.
