

Heritage Loyalty Rewards

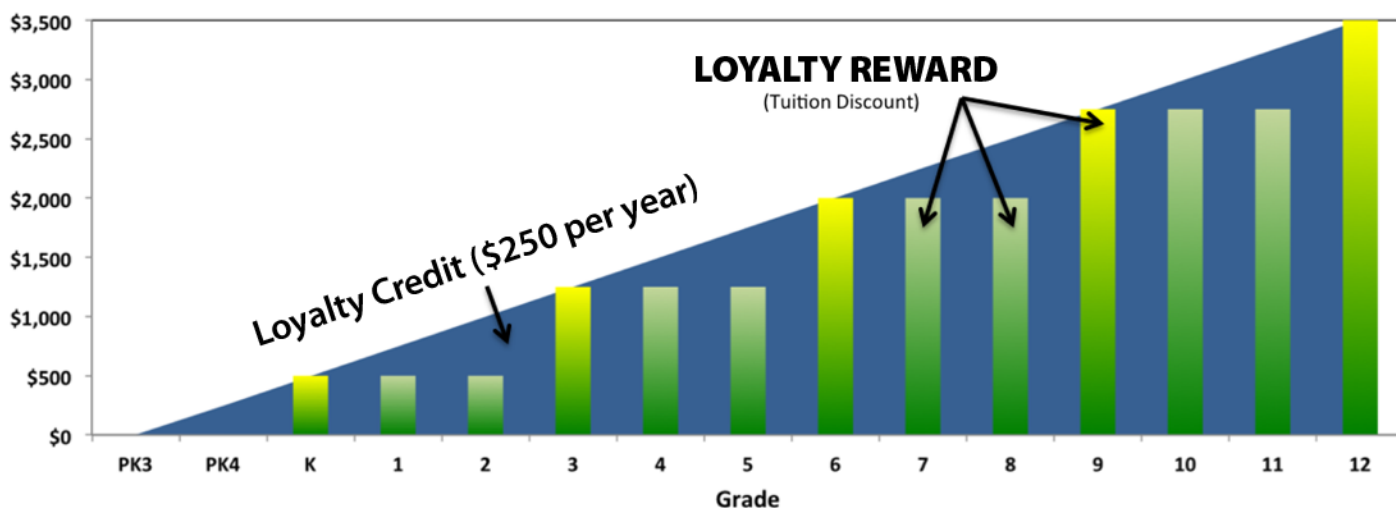

"The longer you stay... the more you save"

Starting school year 2019-2020, HCS will be introducing a new loyalty program offering tuition savings that continue to increase the longer a student stays enrolled at Heritage Christian School.

How the Program Works

Each student has a Loyalty Reward amount that is automatically applied each year to reduce his or her tuition. This reward starts at \$0 but at certain grade levels (see the bars in the graph below), the reward increases to match the student's Loyalty Credit, which has been growing at a rate of \$250 per year.

The following graph shows an example for a student that joins HCS at the PK3 level and stays through graduation, showing how his or her Heritage Loyalty Reward continues to grow over time. By this student's senior year, the Heritage Loyalty Reward has grown to \$3,500 with a total cumulative tuition savings of \$23,000!

Jump Start for Current Students

For current HCS families, all full-time students for the current (2018-2019) school year that meet the program requirements will receive their Loyalty Credit for their current year of attendance (as if the program was already in effect at the beginning of this school year). This gives these students a \$250 head start toward their Loyalty Credit, which will result in larger Loyalty Rewards sooner.

Terms & Conditions

- Heritage Loyalty Reward and Credit are per student, not family, and are not transferrable
- Heritage Loyalty Rewards are applied before any other applicable discounts
- Students must be enrolled for the entire school year to be eligible. No partial credit for partial year
- Students who leave HCS and later return will forfeit any previously earned credit or rewards
- Heritage Loyalty Reward and Credit can be forfeited (and reset to zero) due to violating the terms of the program
- Full terms and conditions available soon
